

each sign can be understood in a different manner; in our case: music "does not mean" music, it means something remarkably more; the task of this music is not to transmit purely musical utterances in a wider sense of the word; the share of the NON-musical element is not intended to be an addition to music but a form of utterance equivalent to it; the media of this music may be gathered in a kind of catalogue; in addition to single sounds and also chords and motifs of indefinite structure, one can avail

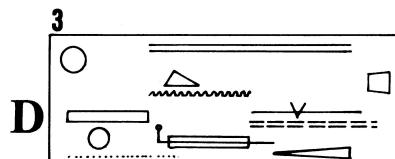

Bogusław SCHÄFFER

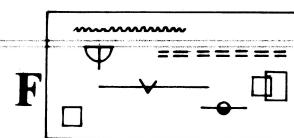

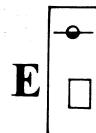

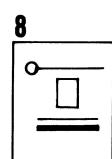

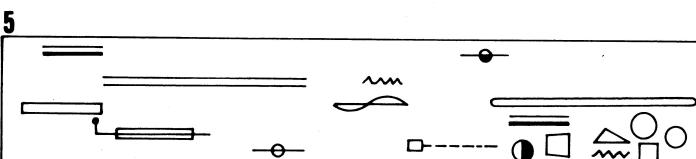

ALGORITHMS for SEVEN performers

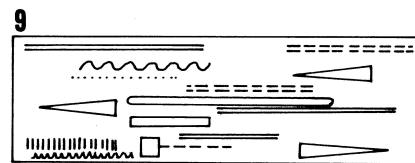

1970

(actors,
singers,
dancers,
musicians)

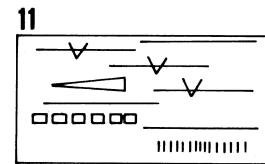

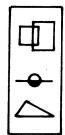

oneself of the material of words,
phonetic values, emotions, gestures,
dramatic acting (normal & mimed),
short plots (without "sense"), inter-
rupted episodes, even everyday
occupations, outbursts and subsidence
of interest in the course of music etc.
